这不是一场摇滚演出,这是一场能感受到来自西方和中国古典音乐混合的新纪元音乐会。几首曲子过后,剩下的音乐将以现场即兴方式演奏。你将有机会提问自己感兴趣的问题,Don会用音乐来给你演奏答案。这是一场我们共同的演唱会,Don的“西来禅音”演唱会将是改变你生活方式的一种新体验。

This is not rock n'roll! You will hear a variety of Western and Chinese classical styles with a new-age flair. With the exception of a few songs, all of the music is improvised. You will even have an opportunity to ask questions that will be a part of a conversation in which the answers are given through music! You do not just listen; you participate. For many, Don's Zen of Zen music becomes a life-changing experience.

带上你的毛毯和枕头,在现场静静聆听,演唱会将会让你全身心的放松。不过,打鼾的人有可能会被身边的人温柔的叫醒。

You are welcome to bring blankets and pillows, as much of the experience is very introspective and relaxing. However, people who are snoring may find themselves being gently nudged!
