Chancellor H'r'm! [*Consulting documents*] Have I Your Majesty's authority to put the final test to His Royal Highness?

Queen Zazu [*Whispering to King*] Is this safe?

King Morph [*Whispering*] Perfectly, my dear. I told him the answer a minute ago.

[*King Morph rises, as do Queen Zazu, Dulcibella, and King Ollie and Queen Isabel.*]

King Morph

[*To Carlo*] Doubtless, Prince Simon, you will wish to retire and prepare yourself for the ceremony.

Carlo

Thank you, sir.

King Ollie

[*To Prince Simon*] Son— young sir, you will attend to the prince?

Prince Simon

Have I Your Majesty's permission to attend His Royal Highness? It is the custom of his country for Princes of the royal blood to be married in full armor, a matter that requires a certain adjustment —

King Morph

Of course, of course. [*Carlo bows to King Morph and Queen Zazu and goes out, accompanied by King Ollie and Queen Isabel. As Prince Simon is about to follow, King Morph stops him.*]

Young man, you have a quality of quickness which I admire. It is my pleasure to reward it in any way which commends itself to you.

Prince Simon

Your Majesty is ever gracious. May I ask for my reward *after* the ceremony? [*He catches the eye of Princess Camilla, and they give each other a secret smile.*]

King Morph

Certainly. [*Prince Simon bows and goes out. To Dulcibella*] Now, young woman, make yourself scarce. You've done your work excellently, and we will see that you and your — what was his name?

Dulcibella

Eg, Your Majesty.

King Morph

— that you and your Eg are not forgotten. I will see to it that you both are well done.

Dulcibella

Coo! [*She curtsies and goes out.*]

Princess Camilla

[*Calling*] Wait for me, Dulcibella!

King Morph

[*To Queen Zazu*] Well, my dear, we may congratulate ourselves. As I remember saying to somebody once, "You have not lost a daughter, you have gained a son." How does he strike you?

Queen Zazu

Stupid.

King Morph

They made a very handsome pair, I thought, he and Dulcibella.

Queen Zazu

Both stupid.

King Morph

I said nothing about stupidity. What I *said* was that they were both extremely handsome. That is the important thing. [*Struck by a sudden idea*] Or isn't it?

Queen Zazu

What do *you* think of Prince Simon, Camilla?

Princess Camilla

I adore him. We shall be so happy together.

King Morph

Well, of course you will. I told you so. Happily ever after.

Queen Zazu

Run along now and get ready.

Princess Camilla

Yes, mother. [*She throws a kiss to them and goes out.*]

King Morph

[*Anxiously*] My dear, have we been wrong about Camilla all this time? It seemed to me that she wasn't looking *quite* so plain as usual just now. Did *you* notice anything?

Queen Zazu

[*Carelessly*] Just the excitement of the marriage.

King Morph

[*Relieved*] Ah, yes, that would account for it. [*King Ollie and Queen Isabel reenter.*]

Queen Isabel

I do think things are progressing splendidly, don't you, my love?

King Ollie

Ah, yes, wonderful, wonderful! The princess is quite beautiful, and so, and so...

Queen Isabel

...so princess-like. Don't you agree, my love?

King Ollie

Oh, yes, so many characteristics one desires in a princess. Cool!

King Morph

Well, we will soon have the royal wedding, just as soon as our lovely, lovely children are ready.

Queen Zazu

And they are so lovely, aren't they?

King Ollie

This is indeed a marvelous enterprise in which we all are taking!
